in the varied catalogue of diseases to which man is liable, there is scarcely one of such im portance and of such interest as Scrofulawhether we look to the obscurity of its origin, organs that it attacks, or its remarkable incurability and extensive fatality. Scrofula has baffled the skill of the most emi-

nent physicians in this country and in Europe But there is antidote for this disease in Dr Guysott's Extract of Yellow Dock and Samaparilla. which is proving itself a specific in the most severe cases of Scrofula.

Hollend, Ind., April 12, 1853. John D Park-Dear Sir: It is now two year since my wife was cured. She had been afflicted from her childhood with Scrofala, the disease making its appearance on different parts of her body, limbs, and face, and confining her to her bed for weeks at a time. Her family procured for her the advice of the first physicians in New Jersey, and also in Indiana, without her receiving any permament benefit. The disease continued slowly to advance, insidnosly sapping the foundation of her life-having formed several large running ulcers, which were continually enlarging and discharging offensive matter, penetrating to the bones and gaugeening

Three years since slic commenced using Dr. Guysott's Extract of Vellow Dock and Satsapa. rills, which has entirely healed all her ulcersand up to the present time she enjoys perfectly good health and spirits, which we believe to be solely through the use of the Yellow dock and Sarsaparilla. The use of mercury never having been permitted in her family, the disease could not have been caused by that medicine Several of my neighbors are now using Dr Guysott's Extract of Yellow Dock and Sarsaparilla with the most flattering success. Thankful you the above statement, hoping to induce oth rs to try the medicine and be healed.

Yours, truly, GEO, W. JENNINGS. Being intimately acquainted with the family of Geo W Jennings, I know the above statement of the case of Mrs. Jennines to be correct. HIRAM PICKERING.

Yellow Dock and Sarsaparilla.

FAIRVIEW, Butler co., Pa.: June 14, 1853. Mr. John D. PARK-Dear Sir: I wish to state that your excellent medicine, Dr. Guysott's Extract of Yellow Dock and Sarsaparilla. has completely cured my son, aged seven years, of an aggravated case of sore eyes. From May till September, four months, he was confined to a dark room under the care of a skillful physician who consulted able counsel. He continued more for two months, when he became entirely blind. His eyes were so highly inflamed, and so very sensitive that when covered with seven folds of dark sitk, he would scream from the pain caused by the light of a candle. He had no appetite had taken so much powerful and offensive medicine, that I could neither force nor coax him to take more. He was reduced to a mere skeleton, and I had despaired of ever restoring his sight or health.

About that time I saw your invaluable medicine advertised as a remedy for sore eyes, caused by scrofula, and your agent in this pice John Scott, Esq., recommended it to me highly.

I purchased a bottle and gave it to my son. could see but little alteration in him for two or three weeks. He then began to improve rapidly, and before he had taken the second bottle his eyes were completely cared.
